Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 19, 1995

SUBJECT: **HB 639 - SB 1004**

This bill, if enacted, will require the driver license division to offer to each applicant the opportunity to donate \$1 to promote the organ donor program.

The fiscal impact from enactment of this bill is estimated to be an increase in state revenues; however, the amount of increase cannot be reasonably determined since the number of applicants who choose to donate is not known but is estimated not to be significant.

The enactment of this bill is also estimated to result in an increase in state expenditures to administer the provisions of the bill; however, such increase is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, reading "James A. Davenport". The signature is fluid and cursive, with the first letters of the first and last names being capitalized and prominent.
